STATEMENT OF RESULTS
BY
POLLING SUBDIVISION WITHIN EACH ELECTORAL DIVISION TOGETHER WITH MAPS APPROPRIATE TO EACH

The following data has been extracted directly from the Returning Officer's "Statement of Official Results", for each of the eighty-three Electoral Divisions, and displays the number of ballots cast for each Candidate together with an accounting of the number of eligible electors and the validity of their ballots.

The Polling Station numbers refer to the geographic area identified on each of the maps within that Electoral Division. The maps are duplicates of those used in the general election advertising published throughout the Province. Pages F2 through F6 are maps of the Electoral Divisions relative to one another in the Province, as well as the urban areas with more than one Electoral Division. Subsequent pages record Electoral Division data alphabetically.

Names of Candidates are recorded as they appeared on the ballots. Political Party abbreviations have been shown in the "Overview", on Page One of this Report.
